

The Swedish Bus & Coach industry

- In Sweden we have 13 500 buses and coaches
- 7 % of all the kilometers travelled in Sweden are done with buses and coaches
- In the local public transport sector the buses have a market share of 53 %
- The industry have over 20 000 employees, mostly bus drivers
- 30 % of the Swedish bus drivers are today over 55 years old – we need a new public education for bus drivers in Sweden!
- The passengers are mostly young people and the women are in majority
- Most of the passengers takes the bus to work or school
