« Your Passenger Rights » app

The screenshot shows the 'Your Passenger Rights' page on the Your Europe website. At the top, there is the European Union flag and the 'Your Europe' logo. The language is set to English (EN), and there is a search bar for country selection. The breadcrumb trail is 'Your Europe > Citizens > Travel > Passenger rights'. Below this is a navigation menu with options: Search, Life and travel (selected), Doing business, Contact assistance services, and Report an obstacle. The page is dated 'Last checked: 19/05/2022'. The main heading is 'Passenger rights'. There are two yellow dropdown menus: 'Допомога ЄС Україні' and 'EU assistance to Ukraine'. Below these, a text block asks if the user has experienced delays and cancellations, stating that as an air, rail, ship, or bus passenger, they have rights in the EU. It lists 'More on:' with links for 'Air passenger rights', 'Rail passenger rights', 'Bus and coach passenger rights', and 'Ship passenger rights'. A red arrow points to the 'Ship passenger rights' link. Below the links, it says 'Download the "Your Passenger Rights" app to your smartphone (Google Android, Apple iOS)'. At the bottom, there are social sharing options for Facebook, Twitter, LinkedIn, and e-mail.
